Savoia

Savoia Canada is a spectacular new showroom located in the King St. East furniture district that is dedicated to the finest Italian made floor and wall surfaces. The expertly designed 4,500 square foot showroom gives architects, designers and their clients a unique space to browse and select the ultimate floor and wall coverings for commercial or residential spaces.

Savoia Canada is the exclusive distributor of **GranitiFiandre** of Italy. GranitiFiandre is the world leader in high-end floor and wall surfaces. The Savoia showroom is a one-stop shop for the entire line of GranitiFiandre's award-winning surfaces, which are ideal for everything from private residential houses to heavily-used public buildings. Savoia also carries the **FMG** line, which has more than 60 varieties of marble, stone and granite in a variety of finishes from antique-effect to polished.

Savoia is located at 145 King St. East and is open to the public Monday to Friday

9am to 7pm, Saturday 9am to 6pm and by appointment only on Sundays.

Juicy Words

In the beginning, the universe was created. This made a lot of people very angry, and has been widely regarded as a bad idea.
